Although PRQ, Parts I and II, for LITAXIL-9 have been submitted by the Station to Headquarters along with results of Station traces, we have not been able to obtain an OA for Subas assumed because of the derogatory information on Subject which was reported in para 2 of MEXI 1506. (Ref A). 2. In Reference B, Headquarters requested the Station to clarify the derogatory information that was reported in LEXI 1506. This clarification was requested by KUDESK prior to the granting of a POA. 3. The Station replied to this request per Ref C. granted a POA only for training of Subject on 20 Feb 1963. 4. KUDESK, however, deferred granting of an operational approval for Subject pending satisfactory resolution of the derogatory information on Subject which was contained in MEXI 1506. - 2. On 18 September 1962 we requested SAS, which then had Head-quarters responsibility for this case, to request Station Mexico City to determine the basis for Mexico G-2's allegation, to obtain any evidence substantiating the allegation, and to conduct such investigation as was possible to determine the truth or falseness of the allegation. It was further agreed that SAS would determine whether the Station had direct access to Subject and would recommend polygraphing him if it were feasible. We have no indication that any of this has been accomplished or attempted.

The Provisional Operational Approval specified that approval for operational use of the Subject was deferred pending satisfactory resolution of the derogatory information, which CI Staff did not consider to have been accomplished. The PRQ Part II on Subject clearly shows that he has been used operationally for the past year without any approval.

INCLUSIVE DATES OF FILE MATERIAL JULY 62 THROUGH AUGUST 72.

RELEVANCE OR NON-RELEVANCE TO OSWALD & JFK ASSASSINATION:

REASON OR ASSUMED REASON FOR INCLUSION IN THIS COLLECTION: In the HSCA testimony of Silvia Duran she indicated that she knew him and he was the Cultural Attache at the Cuban Consulate when she was there. This info was not in the 201 file.

#### SUMMARY OF INFORMATION WITHIN FILE:

LITAMIL-9 was recruited by the Mexico City Station in late 62 while he was assigned to the Cuban Embassy as Cultural Attache. He provided the Station intelligence while he was in this assignment. He was deactivated in March 1965 when he returned to Cuba and was seen only occasionally after that. His contract was terminated in 1970 because of his lack of access. Only one relevant document was found which indicated that Proenza, who worked at the Cuban Embassy, believed that the strong objection to the Mexican Government by the Cuban Embassy over the Duran's detention was a diplomatic error. This document was processed for release.

MEMORANDUM POR: C/CI/OA

SUBJECT

Operational Approval for LITANIL-9

1. The Provisional Operational Approval for LITANIL-9 (C-101331) is due to expire 8 January 1965.

- 2. In discussions with the field case officer for this operation, WR/1/Mexico has found that there is no way to determine when, or whether, LITAMIL-9 will again leave Cuba. For reasons of personal security, LITAMIL-9 has not been able to forestance leading to the forest to his brother, LITARIL-17, and reports from occasional Cuban official travelers transiting Mexico indicate that LITAMIL-9 is well and is employed by the Mational Cultural Council.
- 3. LITANIL-9 is now an inactive agent. The Station has recently proposed that his salary cease accumulating as of 30 June 1966. If and when he again manages to leave Cuba, he will be contacted and a full assessment of his future usefulness will be made. Owing to the fact that his sister-in-law is a secretary to Fidel Castro it is expected that he will be a valuable source of information, at least for an initial debriefing period.
- 4. It would be appreciated if the POA on LITAKIL-9 could be extended for six months. If at the end of that time he has not left Cuba, it will be proposed that the POA be allowed to expire.

Translation of a rost card from Kira KOSOVSKA to LITA IL-9. Kira is the wife of Anguel KOSOVSKI, who was a Second in the Eulgarian Embassy in Havana as of October 1965. They are now back in Scfia, Bulgaria. The card was nailed from Eulgaria to Cuba.

Dear Luis, how are you? Before leaving I called you to verify your address and, of course, to say "the last goodbye" (for three menths!), but you weren't there. Surely you had your mind on the countryside after the hurricane. If you did, I wish that you could climb like during the fifteen days of Giron, that would suit you very well.

We have been in Bulgaria for three days now: one day in Sofia and the in Yarna in the guest house of the Dalgarian that the property of the Dalgarian that the property of the Dalgarian that the property of the Dalgarian that the sleep because it wasn't night — at 3 the sun set and at 12 came out again. In Prague we spent one day while waiting for the plane to Sofia. We are living like Counts of tuxembourg in a luxury botel. In Sofia everything is fine. It is quite hot during the day, but the nights are very cold. Here in Yarna it's the same story, but all the hotels are full of tourists who get brave and go swimming in the cold sea. As for us, we haven't gone swimming yet. And generally after Cuba I am indifferent to the sea. Luis, until later.

Translation of a post card from Kira KOSOVSKA to LITAMIL—9. Kira is the wife of Anguel KOSOVSKY, who was a Second Secretary in the Bulgarian Embassy in Havana as of October 1965. They are now back in Sofia, Bulgaria. The card was mailed from Bulgaria to Cuba.

Good morning, Luis! How are you? We are well. We frequently think of Havana and of our friends (I - of a "bored" man too). After the Black Sea we spent one week in Sofia, and the following week we relaxed at the Radio Sofia tourist house (before leaving for Cuba I worked for Radio Sofia), located on the Vitusha, near Sofia. The Bulgarians call this mountain "lungs of the capital". It's a very lovely place. Living in the grass and looking at the sky, listening to the silence. Isn't that true? On Vitosha (sic) we remembered all that we are now in Sofia, preparing to continue our tour through the mountains. I like to walk a lot, and now I have the opportunity. We plan to climb the highest peak in Bulgaria - Mus-ala (2925 meters). It isn't difficult -- it's not very high. What a good country Bulgaria is, but in my opinion she lacks contemplative men. Yes, yes, that's true. They are all too practical. Until later, Luis!

Kira KOSOVSKA

Translation of a letter from Eira KOSOVSKA to LITAVIL-9. Kira is the bife of Anguel kOSOVSKI, who was a Second Secretary in the Bulgarian Erbassy in Bayana as of October 1965. They are now back in Sofia, Bulgaria. The letter was mailed from Bulgaria to Cuba.

Good evening, Luis! How have you been? Working a lot! as always? Which to choose -- of two opinions on work ("herses choose the second, isn't it?"

We are still in Varna, more exactly some 15 kilometers from the city of Varna; this doesn't matter because everything here is the area of beaches, hotels, etc. The weather so without eagerness -- we are spoiled permanently by the Santa María and Atlantic beaches and by the Cuban sun! At the same time it is very nice that here are no sharks and one can swim anywhere one wants.

In the course of two years we forgot many things and now we are enjoying the climate, nature, etc. It's true—full of the air is absolutely different: fresh, healthful, from the coast the mountains, covered with forests, begin am an optimist and I am sure that sooner or later you will visit Bulgaria. Do you know what they say about the formation and I am sure that sooner or later you will of the country? When God was dividing the Earth among the because he was working. Then when he came, there was no land took a knife and cut a little piece of paradise for the Bulgarian.

I am not exaggerating -- really the coast of the Black Sea in Bulgaria is very pretty. Now there are about 25 - 30 thousand foreigners here on vacation. And what is very interesting -- the majority from the capitalistic countries. At every step one hears French, German, Swedish. We have an acquaintance -- the manager of one of the hotels; he, for example, says that some families from Switzerland and from Belgium have been living in his hotel for 28 days, and that all are very happy, saying that the vacation in Bulgaria is pleasant and inexpensive at the same time, less expensive than in Nice or Italy. Thus Bulgaria is developing interna-

tional tourism intensively and, of course, is bringing in a lot of noney.

Eut what be ing things I'm writing! I'm sure that you are already sleepy. Not by any means do I want you to think that these are exercises in Spanish so as not to forget it. I simply want to relate some of my impressions and observations, and you, a man so good and fine, can understand, can't you?

One more interesting thing about the tourist service here. There are some typical national restaurants open where Bulgarian fantasy is represented. For example, one represents a place where there are sheep (I don't know what it is in Spanish). It's a large patio divided into small patios, everything like in a town. There is a stone hearth in the fiver, there something bells In a like basket. There are some farm buildings, everything true to life. To make the picture complete, in one of the small patios there is a burro in another, some sheep, and ... they all have a terrible odor! But everybody is happy and taking pictures, etc. The waiters are dressed in national costumes and the national orchestra plays too. Can you imagine it, Luis? It's very nice! The other restaurant, for example, represents the interior of (I don't know in Spanish, in French -- the mill). There is the stone for grinding, there are filled sacks where you sit, but let's not talk about food -- there is everything in abundance. After the first admirations ("what delicious cherries!", what big peaches!", etc.), I discovered a great danger for me in all this. If, for example, Anguel gains 2 - 4 pounds, it's no problem but for me it's problem #1:

I'll close now. Before closing I'll tell you a joke (appropriate!). A family went to bed one night. Suddenly a loud noise was heard -- the cat knocked something over in the kitchen. But the frightened woman cried: "Run, my husband is coming!" and her husband, frightened also, jumped out of the window in his rajamas.

Until later, Luis. I give you my hand. The letter -- between us, is that all right?

Translation of a post card from Kira KOSOVSKA to LITAY L-9. Kira is the wife of Anguel KOSOVSKI, who was a Second Secretary in the Bulgarian Embassy in Havana as of October 1965. They are now back in Sofia, Bulgaria. The card was mailed from Bulgaria to Cuba.

Dear Luis, how are you? Before leaving I called you to your address and, of course, to say "the last goodbye" (for three months!), but you weren't there. Surely you had your mind on the countryside after the hurricane. If you did, I wish that you could climb like during the fifteen days of Giron, that would suit you very well.

We have been in Bulgaria for three days now: one day in Sofia and two in Varna in the guest house of the Bulgarian MINREX. The trip went fine, but it was very fatiguing; we couldn't sleep because it wasn't night — at 9 the sun set and at 12 cane out again. In Prague we spent one day while waiting for the plane to Sofia. We are living like Counts of Luxembourg in a luxury hotel. In Sofia everything is fine. It is quite hot during the day, but the nights are very cold. Here in Varna it's the same story, but all the hotels are full of tourists who get brave and go swimming in the cold sea. As for us, we haven't gone swimming yet. And generally after Cuba I am indifferent to the sea. Luis, until later.

Good morning, Luis! How are you? We are well. We frequently think of Havana and of our friends (I - of a "bored" man too). After the Black Sea we spent one week in Sofia, and the following week we relaxed at the Radio Sofia tourist house (before leaving for Cuba I worked for Radio Sofia), located on the Vitusha, near Sofia. The Bulgarians call this mountain "lungs of the capital". It's a very lovely place. Living in the grass and looking at the sky, listening to the silence. Isn't that true? On Vitosha (sic) we remembered all that. We are now in Sofia, preparing to continue our tour through the mountains. I like to walk a lot, and now I have the opportunity. We plan to climb the highest peak in Bulgaria - Mus-ala (2925 meters). It isn't difficult - it's not very high. What a good country Bulgaria is, but in my opinion she lacks contemplative men. Yes, yes, that's true. They are all too practical. Until later, Luis:

Translation of a letter from Kira KOSOVSKA to LITAMIL-9 is the bife of Anguel kosovski, who was a Second Secretary in the Sulgarian Embassy in Havana as of October 1965. They are now back in Sefia, Bulgaria. The letter was mailed from Bulgaria to Cuba.

Good evening, Luis: How have you been? Working a lot, as always? Which to choose -- of two opinions on work ("horses choose the second, isn't it?"

he are still in Varna, more exactly some 15 kilometers from the city of Varna; this doesn't natter because every-thing here is the area of beaches, hotels, etc. The weather so without eagerness — we are spoiled permanently by the Santa María and Atlantic beaches and by the Cuban sun! At the same time it is very nice that here there are no sharks and one can swim anywhere one wants.

In the course of two years we forgot many things and now we are enjoying the clirate, nature, etc. It's true -full of the air is absolutely different: fresh, healthful, from the coast the nountains, covered with forests, begin.

I am very sorry that you, Luis, cannot see all this, but I wisit Bulgaria. Do you know what they say about the formation English, the French, and others, the Bulgarian could not come left. God scolded him, but he had to do something. So he garian.

I am not exaggerating -- really the coast of the Black Sea in bulgaria is very pretty. Now there are about 25 - 30 theresting -- the majority from the capitalistic countries. At every step one hears French, German, Swedish. We have an accuaintance -- the manager of one of the hotels; he, for Belgium have been living in his hotel for 25 days, and that pleasant and inexpensive at the same time, less expensive than in Nice or Italy. Thus Bulgaria is developing interna-

tional tourism intensively and, of course, is bringing in a lot of money.

But what boring things I'm writing! I'm sure that you are already sleepy. Not by any means do I want you to think that these are exercises in Spanish so as not to forget it. I simply want to relate some of my impressions and observations, and you, a man so good and fine, can uncerstand, can't you?

One more interesting thing about the tourist service here. There are some typical national restaurants open where Bulgarian fantasy is represented. For example, one represents a place where there are sheep (I con't know what it is in Spanish). It's a large patio divided into small patios, everything like in a town. There is a stone hearth in the livor, where something boils in a mig pasket. There is a stone stove, also with a fire inside. There are some farm buildings, everything true to life. To make the picture complete, in one of the small paties there is a burre, in another, some sheep, and ... they all have a terrible odor! But everybody is happy and taking pictures, etc. The waiters are dressed in national costumes and the national orchestra plays too. Can you imagine it, Luis? It's very nice! The other restaurant, for example, represents the interior of (I don't know in Spanish, in French -- the mill). There is the stone for grinding, there are filled sacks where you sit, etc., etc. The food is served in national dishes ... but let's not talk about food -- there is everything in abundance. After the first admirations ("what delicious cherries!", what big peaches!", etc.), I discovered a great danger for me in all this. If, for example, Anguel gains 2 - 4 pounds, it's no problem but for me it's problem fi!

I'll close now. Before closing I'll tell you a joke (appropriate!). A family went to bed one night. Suddenly a loud noise was heard -- the cat knocked something over in the kitchen. But the frightened woman cried: "Run, my husband is coming!" and her husband, frightened also, jumped out of the window in his pajamas.

Until later, Luis. I give you my hand. The letter -- between us, is that all right?

Kira KOSOVSKA

Hote: This dispatch explained shy reports had not been forwarded since HPMA 24254, see abovein accordance with Headquarters request that
contact reports not be forwarded in the future.
HPMA 25001 explained that henceforth 1 copy only
of LITAMIL-9 CR's would be forwarded to bH/EA,
attention Brownert and Labanow. Both of these
officers had specifically requested that LITAMIL-9
CR's be forwarded to bH/SA. In the interim, between
September and January, CR's for the following meetings
were placed in Station files: 10 September 64,
21 September 64, 1 Cetober 64, 4 Cetober 64,
23 October 64, 29 October 64, 5 November 64, and

- 3. It is realized that an operational progress report and a contact report are two different items; however, in view of the detailed nature of the LITARIL-9 CR's the Station has felt that their submission has satisfied the requirements of operational reporting. The criticism of reference is all the more puzzling since such visitors to the Sation as Chester D. Dainold, Chief, WHD; Mortán A. Woolley, erstable Chief of Operations, WHD; and Thomas W. Lund, present Mexico Branch Chief, have all expressed their approval of the detailed operational reporting on this operation during visits they have made to the Station at which time the reports in question have been brought to their attention.
- 4. When LITAKII-9 next exits PROMEN, the Station will begin to prepare formal operational progress reports on the operation.
- 5. As for the questions raised in paragraph 2 of reference regarding operational security, advance information on LITARIL-9's recall came from LIRAYOY but he was not informed of the imminence of his transfer until it was reported routinely by LITARIL-7 and was generally known by his collegenes. As for the imminence that LITARIL-9 was informed of the Station's capability to intercept Embassy telephone conversations, a careful research of the Newbornshow under critique will show that no such acknowledgement was made. LITARIL-9 was informed that "we have a good chance of being told about such a conversation by one of our friends," i.e. that word will probably get around in Embassy circles that LITARIL-9 is about to travel to such-end- such a point.

As for the speculation that LITAMIL-) suspects that Mebassy phones are tapped, he has indicated his belief that this is the case ever since he was taken over by the present C/O. In fact, he is prone to say " I called so wand-so on sych-and-yich; artis, using the phone instead of the intercom so you could hear it." In cases wherein he has spoken this way, he has been told that chances are we will never hear about the matter discussed unless he reports on it specifically in his meetings with his C/O.

MEMORANDUM FOR: C/CI/OA

SUBJECT : Operational Approval for LITAMIL-9

1. An Operational Approval is requested for LITANIL-9, who has recently returned (-) Cuba, and has accepted an FI mission from Mexico Station. The Station has expressed its reluctance to interview a Mexican officer who alleged in 1959 that LITANIL-9 was a Communist, since this course of action would unnecessarily draw attention of this officer to our interest in LITANIL-9. WH/1 has concurred in this decision, and considers that this unevaluated derogatory information on LITANIL-9 is far outweighed by his performance account.

- 2. Realizing the risk involved in working with sny Cuban national, WH/1 feels that LITAMIL-9's excellent record of cooperation, plus his acceptance of the idea of continued cooperation in a denied area favor consideration of an Operational Approval. Additionally, we have had audio coverage through the telephone in LITAMIL-9's office for the past two years or more, and during this time the has used the installation for spot checking his information, and is matisfied that there are no reasons to question his veracity and security or suspect that he is under control of the Cuban service.
- 3. Attached for your review are several contact reports of LITAMIL-9, as requested by Mr. Lally. Their prompt return will be appreciated. This office will be pleased to cooperate in any further review of this case which will facilitate the OA.

#### DISPATCH CLACEFICATION MOLES SPECIALOR SECRET Chief of Station, Mexico NOS. SO MOETING REQUIRE CALT GLALF ES DES Chief, WH Division LITAMIL-9 ACTION PEQUIPED - REFERENCES AR : See Paras 3 and 4 REF: HMMA-25,670 dated 23 March 1965 We are pleased that Barker has prevailed upon LITAMIL-9 to return to Cuba and even more important, of course, to agree to be alert to service the cause and again, still better, to agree to the use of a communications system. Considering LITAMIL 9's known reluctance for this sort of thing we understand that Barker had to be quite convincing with his arguments and also very possibly had to resort to some arm-twisting. Nevertheless, lacking operational progress reports and therefore not knowing the full background of Barker's procedures, we did note that in paragraph 3.ii, page 4, of the C/R attached to reference, the Station tipped off LITAMIL-9 that he would came from the LIENVOY of LIFEAT take, and, to complete the record here, would appreciate a note as to the origin of the information that LITAMIL-9 was to be transferred. We further note from paragraph 3 of the Memorandum for the Record dated 11 March, also attached to reference, that, in essence, a further acknowledgement was made to LITAMIL-9 that the Station has the capability to intercept Cuban Embassy telephone conversations. While there may be a simple explanation for this report we are constrained to make known our concern that such apparent revelations, however well-intentioned, obviously could cause unpleasant repercussions and are regarded under normal circumstances as basically unsound violations of operational compartmentation Distribution: O & 1 - COS, Mexico City 201-321609 CZ CHPY (CONTINUED) CROSS REFERENCE TO DISPATCH SYMBOL AND NUMBER HMMN-13,549 15 April 1965 15000 CLASSIFICATION HQS FILE NUMBER SECRET 201-321609 RŦ WH/1 N.J. 4. This all, of course, again raises the practical difficulties encountered in trying to provide meaningful support to the Station when proper operational reporting is consistently neglected as in the case in the LITANIL-9 op. Consistency has virtue only when in the right direction. While we are on it. please note that Cuban op dispatches should be addressed to Components.

Para. 2: European businessmen (F).

Appraisal of Content:

- Since Lid-February 1963 Mexican immigration authorities have placed stamps in the passports of travellers to and from Cuba which read "Arrived from Cuba" and "Left for Cuba". The stamps are placed on the page with the picture.
- All requests for Mexican tourist visas in Cuba must be approved in Mexico before they are issued in Habana.

#### Field Comments

- Cuban visas are often issued on a separate piece of paper and not stamped in the passport, so that the passport would not show that the bearer had travelled to Cuba.
- This regulation was first noticed in February 1963.

Documentation for travel from Mexico to Cuba does not differ from that needed for travel to other Latin American countries. The traveller must have a passport or other travel document, with a valid visa. Mexican citizens within the specified age group must also carry a cartilla militar.

Mexican security services do not screen applications for travel to Cuba. Although the Mexican Government has taken no action to prevent travel to Cuba, it has discouraged government employees from accepting invitations to Cuban-sponsored activities. It also appears to want to avoid recognition of Cuban Government activities by not sending government-sponsored delegations. These steps, plus the bothersome baggage searches, photographs, and questioning by Mexican immigration authorities have probably curtailed travel to Cuba.

A neutralist diplomat (C) in Mexico City, from

Sori Coulibaly.

Appraisal of Content: 2.

- On 18 February 1963 Sori Coulibaly, the Ambassador of the Republic of Mali to the United Nations and to Cuba, 1 and Mamadou Traore, Deputy Permanent Representative of the Mali Mission to the United Nations, arrived in Mexico from Habana, Cuba. Coulibaly told members of the Cuban Embassy in Mexico City that he had spoken with Raul Roa, Cuban Foreign Minister, who asked Coulibaly to take steps to have the Government of Mali send a resident Ambassador to Cuba.
- Coulibaly said that the Cubans had put pressure on him to open an office in Habana and that they had in fact given him a building for this purpose. However, Coulibaly said that he did not see how Mali could afford to open an office in Habana, in view of the fact that he had hardly enough money to operate the Wali Mission to the United Nations. 2
- Coulibaly and Traore left Mexico City on 20 February for New York. Coulibaly carried Mali diplomatic passport No. 23; Traore carried diplomatic passport No. 42.
  - Headquarters Comment. Coulibaly presented his credentials in Cuba on 13 February 1963.
  - Source Comment. Coulibaly confided that he had requested 50 million Mali francs (about \$203,000.00) as an annual budget for the operation of the Wali Mission to the United Nations; that he had been allotted only one-tenth of that amount for the first quarter of 1963; and that he had not received even that.

## Cultural Attaché, Embassy at Mexico City

Cultural Attaché Luis Alberu arrived in Mexico in October 1959, the first Cuban representative since the fall of Batista. Farly in 1962 he was transferred to the United Mations section of the Foreign Ministry but returned to Mexico on 16 March 1962 because "conditions were terrible in Cuba." He is reported to be mistrusted by other members of the Tables.

In 1953 Alberu was identified as an artist residing in Mexico. He is possibly the brother of Mariluz Alberu Scuto, Consular employee in Vigo, Spain.

## DIRECCION DE RELACIONES INTERNACIONALES

Eexcelentísimo Embajador de los E.U. Mexiganos, Sres. Niembros del Cuerpo Diplomático

Sras y Sres.

Es para mi un honor quo en ocasión como esta, represente al Consejo Nacional de Cultura en que se inaugura la exposición "Caleidoscopio Fotográfico" del artista mexicano Nacho López.

Creo sinceramente, que el gran artista Nacho López, no necesita presentación, su arte en muy conocido en Cuba a través de revistas internacionales y periódicos que con frecuencia especiación ou craus jo artistico; además no es la primera vez que tengamos el gusto de tenerlo entre nosotros así como a otors tantos mexicanos ilustres que nos ham visitado desde el triunfo de la Revolución.

Aquí en esta sala encontraremos un exponente gráfico de lo que tan acertadamente nos dice en su introspectiva el artista que nos ocupa.

"El placer-en ef - mis no la diversión - de producir imágenes que despierten ideas y emociones en el espectador, pretendo hacerlo conscientede que el mundo no son cuatro paredes, trabajo y familia; sino que hay otras formas bellas y hor ibles, otros rostros que tambien viven, respiran y mueren, en busca de las mismas necesidades eternas: trabajo, vestido, comida y dignidad.

La exposición que nos disponemos a admirar estre cha aún más los lazos que nos une con el gran país hermano México, y no quisiera dejar de destacar en esta opertunidad, la satisfacción que nos produce cooperar con la Embajada de México que ha hecho posible la exposición que se ofrece conjuntamente con la Seciedad Cubano-Mexicana de Relaciones Culturales y el Consejo Nacional de Cultura (Delegación Provincial)

Muchas Gracias,

Luis Alberd, Responsable de Protocolo.

E. PERUMEN Official Involved in State-Run 20 - 31456 Tenrist Activities: At Headquarters' remeat, the Ptation contacted LITAMIL-9 to obtain information on Subject on a trip to Canada (see MEXICO CITY-4955). LITARIL-9, who had previously reported that he thought Subject might be willing to cooperate with LEMARP if properly approached, refused to make any effort to contact him. The Station suggested that the cooperation of Subject's ex-wife, now residing in the JMTAVE area, be enlisted and that she visit him in Canada with their child.

3. FRADYER is very much aware of Headquarters interest in L-9. Although he plans to meet L-9 regularly, he doubts (as previously mentioned to Clyde K. SHRYOCK when the latter recently visited Mexico) that L-9 will live up to Headquarters expectations.

- A. He is acting as the general manager of the coffee grounds to edible plant in Toluca in which he and his brother own shares. Not only is this a new firm, but the raw material and process used to make the oil are somewhat of a novelty. The plant is deeply in the red (L-9 has yet to receive a salary and commutes to Toluca by bus) and requires close and time consuming attention. With the best of will, it is and will be difficult for L-9 to get away whenever he
- B. As pointed out by L-9 himself, L-9 has now been in Mexico for some six months and has succeeded in obtaining from Gobernacion his reinstatement as a resident alien. It must be increasingly evident to the Cubans (despite L-9's request for extended leave from his job in Cuta) that the latter will probably not go back to Cuba. In other words, the Cubans probably view him more and more as an exile.
- C. Because he spends most of his time away from Mexico City and because his Cuban friends are becoming more reserved with him, L-9 has less and less contacts with visiting Cubans. In fact, only one, the Subject of Mexico City 0763, has phoned him when visiting Mexico since L-9's return to this country. L-9, who senses that he is now an exile in the eyes of many of his friends in Cuba, is even reluctant write to them. He feels, for example, that little would be accomplished by writing to Esebio \$AZCUE Lopez, as the would probably not leave Cuba because of his young wife and child even though he is fed-up with the Castro regime. The contrary, L-9 feels that he might not be doing AZCUE any favor by writing to him as the latter who is not known for being an enthusiastic supporter of the regime may be under some observation from the Cuban authorities.
- 4. Information obtained by L-9 from CARPENTIER, Lizandro PTERO and Nicolas \*GUILLEN indicates
  - A. Together with information from other sources that the Cubans probably prearranged to take over the Congress of Latin American Writers with the help of the other Communists and use it for political purposes.
  - B. That Cintio ITIER is obviously not trusted by the Castro regime and may be in trouble.
    - C. That the Cubans are making a major effort, in line with their pro-French policy to show themselves in Parlis under the best light possible.
    - D. That CARPENTIER obviously enjoys the confidence of the regime. His trip to Hanoi had certainly nothing to do with cultural affairs. It is regretted that L-9 did not elicit further information from CARPENTIER on his visit to North Vietnam.

MEMORANDUM FOR THE RECORD

FROM

SUBJECT: LITAMIL-9 and the Latin American Writer's Congress in Mexico

1. The undersigned reviewed the list of delegates attending the Latin American Writer's Congress with L-9
on 19 March 1967. The latter indicated he knew all the members of the Cuban delegation - Alein CARPENTIER pelmone.
Roberto FERNANDEZ Retamar, Lizandro OTERO, Nicolas GUILLEN and Pablo NEREDA, a Chilean writer whom he first met some -25 years ago and saw again about 1962. L-9 stressed he did not know the Cuban delegates to the point of calling anyone of them a personal friend as his dealings with them had been confined to professional contacts when he worked for the National Cultural Council. He had never been invited to their homes or invited them to his. The delegate he felt most at ease with was Alejo CARPENTIER with whom he felt he had more in common than with the others. CARPENTIER who has a French father and white Russian mother lived many

years in France and spent some time in South America. L-9 considered him to be an intellectual of definite "bourgeois" background and tastes. Not only is CARPENTIER well known

att +/1 HIMINA - 31703

for his novels (L-9 recalled that his name had once been mentioned in connection with the Nobel Prize for literature) and his journalistic writing (L-9 still remembered some of the articles regularly written by him in Paris for the "El Mundo" daily in the pre Castro era, but he is also an established music critic and a connaisseur of modern painting, all in all a talented and most impressive man now in his sixties.

2. L-9 had on many occasions offered to help WOFACT in any way possible. The undersigned pointed out that he now had a unique opportunity to do this with the Writer's Congress. WOFACT was interested in assessing the Cuban representatives at this Congress to determine their possible vulnerability to recruitment. It was also interested in hearing from the Cuban delegates what they thought of the Congress and it's accomplishments since it was apparent that the great majority of it's members were Communist sympathizers and would probably use the Congress for political purposes. Any information on the situation in Cuba and on Cuban Government organizations, particularly on the incorporation of the National Cultural Council into the Ministry of Education would be appreciated. It would also be interesting to know why Cintio VITIER who was scheduled to come to the Congress did not show up. L-9 said he was willing to help but was extremely busy with his brother's edible oil business in Toluca. It would be

difficult for him to find time to talk with the Cuban delegates, he felt in addition that it would be difficult for him to simply walk in on the delegates if he could not be invited, officially, to the Congress or to a social affair connected with it. Finally, L-9 pointed out that he had now been in Mexico for nearly six months, that "everyone" knew that he had no intention of returning to Cuba and that, for these reasons, the Cuban delegates to the Congress might not be employed to talk to him. After a long "pep" talk by the undersigned and some discussion it was decided that L-9 would call the next morning on Ambassador Joaquin HERNANDEZ Armas who had just returned from Cuba. L-9 would pay his respects and find out if the Embassy planned some social function at which he could openly meet the Cuban delegates (he felt he might wrangle an invitation to such an affair either directly from the Ambassador or from Heberto JCRRIN, the ex-Embassy portero whom he has known for years). It was further decided that L-9 would concentrate on CARPENTIER with whom he felt he had the best rapport and who was in his view the delegate with the most "bourgeois" background.

3. At a meeting held on 21 March L-9 related that he had seen Ambassador HERNANDEZ earlier that morning (the delegates to the Writer's Congress which had been held for the last few days in Guadalajara were scheduled to return the next day). He had found the Ambassador nervous and pre-occupied. The latter told him almost mechanically that

everything in Cuba (political and economic situation, sugar harvest, etc) was fine. He informed L-9 that he did not have the opportunity to see L-9's sister-in-law and that to had given a letter, which L-9 had asked him to deliver to her for passage to the National Cultural Council, to Marta GONZALEZ of the International Relations Bureau of the Council. L-9, in this letter, asked that his three month leave from the Cultural Council be greatly extended. The Ambassador said he ignored what reaction the Cultural people had to his letter. He explained that the Cultural Council is now part of a Bureau headed by Lisandro OTERO.

(IPPLED 15 1-10 OF (NC. - Lea to talk to the Action of Education. Carlos LECHUGA Hevia, the previous head of the council has been reassigned to the Tri-Continental conference as a member of the Secretariat of that organization., He was replaced as the head of the council by fau MUZJO, ex rector of the University of Oriente. The Ambassador insisted that, in spite of this, the National Cultural Council still kept some degree of autonomy. He was rather evasive when L-9 mentioned his desire to call on the Cuban delegates to the Writer's Congress. He said that he did not think that a party would be held at the Embassy for the delegates and did not offer to put L-9 in contact with the people he wanted to see. Since he did not seem to have gotten anywhere with the Ambassador, the undersigned asked L-9 to call on the Congress

L

delegates at the Del Prado Hotel where they were staying.

The new marring L-9 seemed reluctant at first, but finally agreed to do this if he did not have any more luck in contacting the Cuban delegates some other way. L-9 proposed to visit the Embassy the next day and talk to JORR IN about the Congress. The Latter might be able to place him in contact with the Cuban visitors.

\_ 4. The undersigned met L-9 again on 22 March. L-9 stated that he had visited the Cuban Embassy early that day but had to wait for month the was out for about 20 minutes. The latter was to busy after his return that L-9 had only a few minutes of conversation with him. JORRIH confirmed that the Embassy would not have a party for the Congress delegates "because of the Semana Santa," and said he did not know exactly when the delegates would drop in the Embassy following their return from Guadalajara. Upon leaving JORRIN,L-9 went to the Del Prado where he was told that the Congress delegates would only return to Mexico late that day. A few blocks from the hotel L-9 ran into Nicolas GUILLEN who greeted him by saying "here is L-9 in his ambiente Mexicano." The two men walked together back to the Del Prado. GUILLEN turned down L-9's invitation for a cup of coffee saying he had to visit someone. He did mention that the Congress, as far as he was concerned, was "una basura" and told L-9 that he had flown from Guadalajara

Tuban delegates who were returning by road later that day.

GUILLEN told L-9 that he would be in the same neighborhood early next day and would be glad to have coffee with him if L-9 could meet him then. Anyway, he added, he would be staying in Mexico for another two weeks at the request of the Ambassador. They could see each other again later on before he left. As they were about to cross a busy street shortly before parting, L-9 took GUILLEN by the arm in a friendly years. The latter pulled away and L-9 had the feeling that GUILLEN did not want to let L-9 be friendly with him.

L-9 said that he had not been able to call on the Cubans
at the Del Prado until earlier that day. He had run into
Licandro OTERO while in the lobby. The latter told him he
was about to leave. When L-9 said "already?" OTERO pointed
out that he had been in Mexico for two weeks already.
L-9 repeated the derogatory remarks made about the Congress
by GUILLEN. OTERO said that, on the contrary, this had
been a successful meeting. A letter of protest had been
sent to President Johnson and the Congress had taken a
firm position against the "Imperialists." After relating
the above, L-9 recalled that a rumor circulated in Havana,
shortly before his departure from Cuba, to the effect that

- Marcia LEISECA, OTERO's wife (a woman of about 34 who
- , worked at the Casa de las Americas) was about to divorce
- OTERO to marry Osmani CIENFUEGOS. L-9 added that Marcia
- had relatives in Mexico whom she visited in 1962 and 1965.
- After leaving OTERO, L-9 phoned CARPENTIER and was told
- by the latter to meet him the next day.
  - , 6. L-9 and CARPENTIER met for breakfast on 24 March.
- When L-9 asked him for news about the National Cultural
- Council, CARPENTIER said that L-9 knew certainly more about
- that then he did as he had been in France since last November.
- CARPENTIER claimed that he had been called in by DORTICOS
- last October and told that Raudilio CASTILLANOS, the current
- Cuban Ambassador in Paris had requested his nomination to
- \_ the Paris Embassy as Minister Concellor. CARPENTIER said
- he tried to get out of this two year assignment which he
- found too long, but was told by DORTICOS that there was no
- way out of it. The Cuban Government, said DORTICOS, was
- \_ out to make it's representation in Paris "an absolutely
- \_ first class Embassy". DORTICOS added that CARPENTIER would
- not be so busy in Paris that he would not find time to write.
- whether he found time to write CARPENTIER did not say.
- What he did say was that the Ambassador, who was doing a very good job, did an enormous amount of work and usually worked late at night. He also mentioned that while in

Paris or shortly before arriving there he had gone to Hanoi

on an official mission. CARPENTIER gave no details other than to say that that horrible war was probably going to last, and that U.S. planes had flown right over his head Juring his stay. L-9 did not press him for more information but gathered that CARPENTIER remained in North Vietnam two or three weeks.

7. L-9 asked why VITIER had not attended the Congress. CARPENTIER replied that VITIER was "in a special situation in Cuba" as he was not in accord with the revolution. He had been given the opportunity to go to Spain for the Cuban Government but had refused to go. VITIER undoubtedly knew, from the background of the delegates, that the Writer's Congress in Mexico would be a leftist affair. CARPENTIER guessed that he probably declined to come because of this. Talking about himself, CARPENTIER said (without further details) that he would be going to Moscow in May. He announced that a film based on his novel "Los Pasos Perdidos" would be made this year, probably half in France and half in Cuba (negotiations with the French are still going on). Finally, he mentioned that he was trying to convince the Cuban Government to create a centralized publishing depart ment and that as Director of the Cuban National printing office, before leaving Cuba, he had succeeded in getting some 70 million books printed. He mentioned, incidentally,

that his publisher in Mexico is Arnaldo ORFILA, ex director of the Mexico City Fondo del Cultura Economica whom CARPENTIER said he was on his way to see to collect royalties. CARPENTIER said he would leave Mexico on 29 March via SABENA and agreed to get together with L-9 on 27 March.

B. LITAMIL-9. LITAMIL-9, who some years ago worked at LIRIUA has now been back from Camadan for about six months and has been reinstated by the Mexican authorities as a resident align in maxica. Although LITAMIL-9 has no intention to go back to repaired, he has done his best to keep the FARIMEN door open. We has for example requested that his leave from his job in facility (originally for the members) we exceed the fact is that with each week that goes by LITAMIL-9 looks more and more like an exite in the eyes of the LERING staff. PBRUNCH Embassy the Ambassador, the ex portero and one of the amployees from the Commercial Section are left. Although LITAMILTS can still visit the Embassy and talk with the Ambassador, it is char that his rapport with the LIRING staff will be more and more reserved.

1. AFTER MUCH SOUL SEARCHING AND LENGTHY TALKS WITH HIS BROTHER AND FRIENDS LITAMIN-9 MAS DECIDED NOT RETURN CODA

A. L-9 FEELS HAS VERY LITTLE TIME LEFT TO PROVIDE FOR OLD AGE. HE MOST INTERESTED IN ACTIVELY PARTICIPATING IN GROWING EDIBLE OIL FROM COFFEE GROUNDS BUSINESS ESTABLISHED IN MEXICO BY BROTHER AND FRIENDS IN WHICH OWNS 8 PER CENT OF STOCK. HAS GOOD CHANCE BECOME MANAGER OF OIL FIRM IF REMAINS MEXICO.

B. L-9 BELIEVES HAS NO GUARANTEE HE COULD RETURN MEXICO IF WENT TO CUBA. JOB IN CUBA DOES NOT PROVIDE POSSIBILITY TRAVEL OUTSIDE COUNTRY.

C. LIFE IN CUBA AND RESULTING MENTAL STRAIN HAVE NOT ALLOWED 1-9, A PROFESSIONAL ARTIST, TO DEVELOP HIS TALENT.

D. L-9 VERY MUCH AWARE HE GOING NOWHERE CAREER- WISE IN CUBAN CULTURAL MINISTRY. ALSO REALIZES HE PROVIDED WOFACT LITTLE IMFO OF TYPE (MILITARY, POLITICAL, ECONOMIC) IT REALLY SECT INTERESTED IN.

## PAGE 2 MEXICO CITY 0423 SECRET SECRET

- 2. CONSIDERABLE TIME HAS BEEN SPENT BY STATION REVIEWING WITH L-9 HIS ACCESS TO INFO AND POSSIBILITY INCREASE HIS PRODUCTIVITY TO MAKE HIS RETURN TO CUBA WORTH WHILE.
- A. ALTHOUGH L-9 LIVES IN CUSA WITH BROTHER AND BROTHER ENTER WIFE WHO WOULD LOGICALLY SEEM HAVE ACCESS TO SOME INTERESTING INFO, BOTH ARE VERY RESERVED IN WHAT THEY TELL HIM. ALTHOUGH L-9 BELIEVES HIS BROTHER IS BAS/CALLY ANTI COMMUNIST, LATTER HAS NEVER MADE ANY REAL ANTI REGIME COMMENT OR DISCLOSED ANY SENSITIVE INFO TO HIM. BROTHER AND SISTER-IN-LAW SELDOM DISCUSS THEIR CONTACTS IN MINISTRIES AND GENERALLY LIMIT SELVES TO NON CONTROVERSIAL TOPICS.
- B. L-9 LIVED VERY LONELY AND SHELTERED LIFE IN CUBA AND HAD NO REAL FRIENDS. FEW GOOD SOCIAL CONTACTS HE HAD IN COMMIE EMBASSIES REFRAINED FROM DISCUSSING ANYTHING SEMSITIVE WITH HIM. L-9 COMMENTED THAT "ALTHOUGH I CAREFULLY NEVER SAY ANYTHING AGAINST REGIME EVERYONE KNOWS I AM A BOURGEOUS INTELLECTUAL AND NOT A SYMPATHIZER."
- C. L-9 SEES NO HOPE FOR HIM TO TRANSFER TO FOREIGN AFFAIRS,
  EXTERNAL TRADE OR OTHER TARGET MINISTRY. HE DOES NOT BELIEVE
  CUBAN GVT WOULD SEND HIM WITH EMBASSY ABROAD TO FILL POST

PAGE 3 MEXICO CITY 9483 S E C R E T
SIMILAR TO THAT HE OCCUPIED IN MEXICO.

- HIM TO CONTACT HIS SUPERIOR IN CULTURAL MINISTRY IN HAVANA TO SUPERIOR IN CULTURAL MINISTRY IN HAVANA TO SUPERIOR IN CULTURAL MINISTRY IN HAVANA TO SUPERIOR IN MEXICO. AMBASSADOR DID NOT SAY WHETHER WOULD COMPLY WITH REQUEST POINTING OUT THAT YEAR FROM NOW 1-9 WOULD PROBABLY AGAIN FACE SAME PROBLEM. 1-9 NOW INTENDS PHONE SISTER- IN- LAW AND ASK HER INTERVENE HIS FAVOR. WILL APPLY IN EARLY DEC AT GOBERNACION FOR PAPERS ALLOWING HIM REGAIN AT END DIA ILAMS MEXICAN RESIDENT STATUS WHICH LOST AFTER STAY IN CUBA.
- A. ALTHOUGH HE DOING UTMOST STAY IN GOOD RELATIONS WITH CUBAN GVT AND EMBASSY IN MEXICO DOUBT L-9 WILL BE OF MUCH HELP IF, AS HE INTENDS, HE REMAINS MEXICO. L-9 CURRENTLY SPENDS VERY LITTLE TIME AT EMBASSY AND IN OWN WORDS ONLY KNOWS AMBASSADOR

  OF LITTLE HELP PROVIDING DETAILS ON LOCATION AND DUTIES OF EMBASSY STAFFERS NEEDED BY STATION IN CONNECTION WITH LISAMPAN.
- 5. I-9 VERY APOLOGETIC HIS DECISION, HOPES WILL NOT BE MIS-INTERPRETED BY WOFACT HQS. IN VIEW PARA 2 ABOVE, HOWEVER, SECO. 1

PAGE 4 MEXICO CITY 0483 SECRET SECAL. FEEL LITTLE WOULD BE GAINED BY FORCING HIM SO BACK CUBA. L-9'S INTEL POTENTIAL NOT WORTH HARDSHIPS HE WOULD HAVE TO SUFFER AND RISK HE WOULD HAVE TAKE NOT BE ABLE LEAVE CUBA AGAIN

6. OIL EXTRACTING FIRM, 1-9 AND HIS BROTHER INTERESTED IN, CURRENTLY INCREASING ITS CAPITAL 1-9 WOULD LIKE TO INVEST WHATEVER IS LEFT IN WOFACT ESCROW ACCOUNT REQUEST HQS ADVISE AMOUNT AND AUTHORIZE PAYMENT THIS AMOUNT TO HIM. PLS ADVISE SECRET

Subject: Meeting with III-TL-9

PER telecon on the morning of 3 Lovember, the undersigned met with LITABLES at 2100 at the Sutenberg/Thiers' glorieta. Les was taken to the home of Gene F. BRILDOCK, where the meeting was held. The meeting lasted until 0200 on 9 Nov 56. NO SECURITY FROMERS NOTED.

In interesting and fantastic incident occurred on the night of 7 To7. L-9 said he saw the uniconsigned walking by his apartment when for some unknown reason he got up to look out the window. The uniconsigned did, in fact, walk by L-9's apartment on the night of the 7th at about 2300. E-9 was, of-course, very impressed with this quirk of fate as was the understand. Three years in time, a city of 5 million people etc. At approximately 2215, the undersigned called L-9 and a woman answered the phone. Nothing was said by the undersigned and the phone was hung up. It is possible that this call, if the number was correct, had some influence on his appearance at the window. However, L-9 made no mention of a woman at his place but said he had been reading and got up to look out.

Left is very concerned about having lost his Mexican residence permit. Reference According to Left, the Mexican Govt took away his residence permit because he broke Mexican laws. Ieft travelled to Cuba several times without advising the proper authorities during the last several years. Left always travelled to Cuba as a Cuban diplomat and not as a Mexican resident therefore there was no record of his travel. This was obviously against the rules and Left has to pay for it. Left went to see Coty SCLORARMO re this problem and she told him to get in touch with Ignacio "Na cho" ACCORDING re this problem and she told him to get in touch with Ignacio "Na cho" ACCORDING re this problem and she told him to get in touch with Ignacio the Official Mayor, GALVEZ, fins. They talked with another official who gave them little hope. ACCORDING Said he would go to see CALVEZ, himself, on the following Monday but again, he was unable to get to see CALVEZ. (Lic. Carlos GALVEZ Betancourt).

File - 201 - Li MAMILY

ccat.

L-9 went to see Amb. Joaquin ETRANDEZ Armas after ACCTA failed to help him and HERMANDEZ told him he would talk with Ing. Jorge THUNG, that TAMAND was the man who would be a le to help. L-9 is pretty shock up about this problem because he was told at Gobernacion that he would have to reapply again and therefore go through the same EXEMPLEE red tape as before, i.e. five years, restricted travel etc. L-9, of course, has new hope with his contact with us but INVIXIOUS he was told that only as a last resort would the U.S. get involved in order to protect the operation.

L-9 again went into the business of his brother's request and that of his arrived in the Lower, also in Themsing the first, for his to provide the Mexico as the company's administrator. L-9 stated as he has done in the past that he is being pulled in both directions, i.e. toward Mexico by his brother etc and ENURE toward Oubs by the U.S. Govt. He did not make it clear which of the two pressures he expects to succurb to. The undersigned did not push the issue at this meeting hoping to get into this matter at a later meeting.

L-9, just before he got out of the ext, mentioned that he was in need of money and wanted to get spars parts etc to sent back to Cuba with Orlando SURFE, who is scheduled to leave for Habana on Monday. The undersigned said he would get L-9 some money for the next meeting.

L-9 was in good spirits, very proud of his files and anxious to to please. HE described himself during the last year or so in Cubs as "un soldado en su puesto" ready to serv when the time came. He was pleasdi, of course, to have contact again with CDTME and indicated he was a little shook up because has brother was "all over the place" and therefore not a good contest point. He was endermed about how hewas going to make contact.

L-9's post with the Dönsejo is: Jefe de Protocolo and Lisison officer with the Foreign embassées in Habana.

- 7. Namuel VESA Feren FRAN was named to his present cost in the Consejo by Carlos SECHUMA. FLAN, elektronym not a unitered man, has a "bay facul" marra about him that gets him through. I mentioned to 1-9 that FESA was formerly S-2 in Mexico and he agreed but gave little attention to this in terms of his new role.
- 8. Eduardo COMMA 1-9 seld that the removal of COMMA from his post was locked upon very critically by members of the dip corps. COMMA, an extremely well educated and knowledgable type was replaced by Fanuel TRUL Purez. COMMA, acc L-9, was reconved from the post in order to give him more time to work on the new Constitution. Comma is also a prod at the v. of macana. 1.7 changed COMMA's despedida address because, acc L-9, the way COMMA had written it, it looked a though COMMA had been fixed. L-9 commented thusly to COMMA.
- 9. Carlos LECHUM L-9 said LECHUM is very happy in his job and REALITY his wife is a different woman. She is very much at ease, apparently the varital problems have been solved etc. She is writing articles for WM Mymdof. LECHUM, acc L-9 was appraently scheduled to go to Paris but CASTMILIANS went in his stead. DECHUM was actually studying French for the job. LECHUM comments often on the personnel who were in Mexico and are now in the CHANGE.
- 10. Jose Luis POSADA POSADA is in the Consejo de Cultura and will fill in for L-9 while he is away.
- 11. Paul ROA Garcia ROA is away down on the totem poleof power and has enemies throughout the govt. ROA was operated on by Dr. SANTOWARIA, find for prestate trouble.

L-9 stillhe "Durped into Limbil 3 on the street and L-3 has been trying to talk with him. L-9 taid he is a minhat orderrassed and asked about the propriety of getting in touch with him. He was told to go ahead but to remaily discuss the amenities of life and not get into propriety discussion to which he agreed heartily.

The explained how he requested There without pays etc through Manuel MELL but this is spelled out in does MeD provided us on \$ 3 November. Copies of all these does re 1-9% departure, vilidia atc will be copied.

- 12. Carlos FREQUI L -9 knows nothing about FREMQUI but did comment that when Willfredo LUMA, colored painter, arrived in Habana for the TRICKI, FRAMQUI was at the airport and in an aside told LAMM that he should avoid getting consponency in Table involved with Marty FRA VIII because she was IMANGARITY anti-regime.
- 13. Marta FRATE FRATE, acc 1-9, is known to be anti-CATTO and she makes no bones short it.
- things under emiral. Ingalaximum variable but his security forces keep things under emiral. Ingalaximum variables CASTRO says, according CCM-chita FIRMATURE that he has to depend on his young scholarship students. He can't trust anyone else. He is obviously turning toward sugar after having turned tweeri industry etc. Graciela MISE, demonstrated a bit of anti-CASTRO feeling when at 25 July firsts the Growis applauded CASTRO. HISE Commented in a sarcastic time: "Aplaudiran", aplaudiran". L-9 recalls that CASTRO was operated on for rectum trouble but he does not recall when. He believes Dr. RORDIGUEZ Disz was the surgeon.

## PERS'ULITIES

- 1) Teresa PRIMINA L-9 said that when FR HILL left Hemico for Habara she was vary unhappy and was cursing everybody. When L-2 arrived in La Habara he was told that FROUNZA had been involved in "un asunto grave" with ORDOUT and that she was being held. - 5. Pablo ALDAM Acosta ALLAM was fired from MELPHI and he was very unhappy about it. He does not have a job but is on govt payroll. ALLAM told L-9 he was "teed off" and name Luis GCMEZ B. as the man who was getting the breaks and that GCMEZ did nothing for the revolution etc.
- 5. Evelio CATTED Rodriguez Acc L-9, CACTED's name was brought up by Augusto LROS, a cousin of Sustavo, when he was with Conchita FT NAMLES FAR A. AROUS said it was known that CASTED was going to "jump" and yet he was allowed to leave with his family for some unknown reason. A real enigma.

Memorandam for the Record

SUBJECT: Fidel CASTRO Ruz

On 9-10 November 1966, LITAMIL-9 reported the following

## re Fidel CASTRO Ruz:

- a) LITAMIL-9 was not aware of any problem that CASTFO might have had during the period May-June 1966, when he failed to appear publicly. L-9 believes that he world have heard about any serious problem through "Conchita" FERRADNEZ had there been one. On this score, L-9 said that we should not pay much attention to reports that CASTRO is losing power or turning it over to the Party because, although he remains out of the limelight for a time, he bounces back bigger and more popular than ever. L-9 did recall that CASTRO was operated on by Dr. RCDRIGUEZ Diaz, fmu , Bor a rectal problem but he beliefes this was in 1966.
- b) CASIMO has changed his mind about woluntary labor and new feels that those assigned to the tasks given them should get the job done without voluntary assistance. L-9 believes that Celia SANCHEZ reflected this policy when she recently told "Conchita" FERNANDEL not to volunteer her services. 109 believes that CASTEO has recognized his folly in the case of voluntary labor and realizes now that this merely prowokes his minions into creating problems in areas where they should not be, i.e. lack of personnel in times when they needed in specific job. L-9 believes Subans are taking advantage of voluntary labor to be missing frrom own assigned tasks in a form of clardestine subtle sabotage operattion. It is this that CASTRO is also beginning to re-
- c) CASTRO termination of militia courses per memo also shows a switch in attitude of CASTRO, who may also see contemproductive results of indoctrinating Gubans across the board. This happened about two months

These two books have been found unsuitable for use with system #99 ink, Edwever, the book "Maceo", which I have retained, gives exciplent results. The first two pages of the book "Maceo", which are a blank page followed by a title page, would be ideal for placement of Sd.

Rotimado Dr. Corona:

Le ruego me excuse por mi tardanza en enviarle esta carta de agradecimmento a Ud. por el esfuerzo que realizó, e hizo posible pudiésemos tocar para su pueblo.

Aun conservamos plenomente, un vívido y feliz recuerdo del viajo. Las cajas de tabacos que Ud. no. dió en el aeropuerto, iueron sumazente apreciadas por mi massiro Efren Zimbalist, quien ha sido por años un apasionado del tabaco habana.

Pare el próximo verane estamos planeando regresar al Japón; para una gira de consiertos, y la Sociedad de Amistad Japón-Cuba en Tokyo, nos ha ofricido organizar la gira.

Me parece que si Ud, pudiese escribir una carta de recomendación o endorsement, con las impresiones de Ud. sobre nuestras actuaciones en Cuba, sería de gran-valor para nosotros, para que la gira en el Japón se haga posible.

Le rogamos haga llegar a su familia, nuestros más cálidos saludos y muy especialmente para Elpidio.

Econfiamos en que ya Ud. sea un orgullose abuelo.

Estados esperando por su carta muy pronto.

Al mismo tiempo, reciba nuestros mejores parabienes y sen:imientos de aprecio.

Muy sinceramente suyo,

ZETDA Y HIDERATO SUZUKI 2202 CHEMIN STE-FOY QUEBEC 10. P.Q. CANADA
